FACULTY

ADMINISTRATIVE OFFICE

Michael M. Fortunato, Superintendent of Schools

Congratulations to the Winthrop High School Class of 1980.

You have arrived at an important milestone in life. For the past twelve years you have been given, by a dedicated faculty and a generous citizenry, the foundation and training for your future. This time in your life is a natural plateau to look back at your accomplishments, and forward to your goals and plan your place in society.

I wish for you a happy, fruitful, and long life.

Good luck

Michael M. Fortunato

MAIN OFFICE

Mr. John Damenica, Principal

TO THE CLASS OF 1980:

Some years ago, the headmaster of a private school was addressing his departing Seniors. His words and the sentiments he expressed impressed me. While I may not be able to quote him exactly, I would like to share with you his message.

Farewell to Seniors

"I wish you the courage to be warm when the world would prefer that you be cool.

I wish you success sufficient to your needs;

I wish you failure to temper that success.

I wish you joy in all your days; I wish you sadness so that you may better measure joy.

I wish you gladness to overbalance grief.

I wish you humor and a twinkle in the eye.

I wish you glory and the strength to bear its burdens.

I wish you sunshine on your path and storms to season your journey.

I wish you peace - in the world in which you live - and in the smallest corner of the heart where truth is kept.

I wish you faith - to help define your living and your life.

More I cannot wish - except perhaps love - to make all the rest worthwhile."

Coach DeFelice

Vikings Football 1979

Once again the tradition of senior leadership carried the 1979 Vikings Football team toward a successful fall.

The Vikings, led by Captain Michael Magrath posted a 5 - 5 record and ended the season with a 35 - 0 victory over Revere.

I would like to take this opportunity to say good luck to the seniors, but more importantly, I want to say thank you for all the things you gave us.

Robert A. DeFelice

Assistant Coaches: A. Guarina, E. Morrison, and A. Fucilla

Come on, fight me now.

THANKSGIVING RALLY

On the day before the Vikings' traditional Thanksgiving Day game with Revere, Winthrop High held its Thanksgiving Rally. The performances of the band and the cheerleaders, the awarding of roses to the cheerleaders and the queen and the court by the senior football players, the presentation of the Spirit Week plaque to the Class of 1980, and the tug-of-war competition between the junior and senior girls provided the spirit and encouragement that may have helped to lead our Vikings to victory.

SENIOR SOCIAL DEC. 7, 1979

The Senior Social was held on December 1, 1979 at Kowloons. The polynesian atmosphere, food, and mood psyched us all on as we closed out the disco decade.

We are two wild and crazy swingers.

Close your eyes and open your mouth.

Smile pretty.

GOVERNMENT DAY

On Friday, October 19, 1979, U. S. Senator George McGovern of South Dakota visited Winthrop High School in celebration of Good Government Day. The Senator spoke on various political issues, and participated in a question and discussion period with the guest panel of local government officials and newspaper columnists. The discussion was later opened to the audience of the student body.

THE IRANIAN PROTESTS

1979-1980 - It was the year of the Iranian Crisis. In November of 1979, fifty Americans were taken hostage in the American Embassy in Tehran, Iran. The hostages have remained captive through early 1980.

We the Class of 1980, in response to this action, staged a few peaceful protests during senior lunch, which included marches through the school's halls carrying the American flag, the shredding of the Iranian flag (after several attempts at burning it), and finally, the patriotic singing of "God Bless America" and our national anthem. We hope that our efforts further the United States' negotiations with Iran.

BLOOD DAY

Now this won't hurt!

See what I am going through just to get my picture in the yearbook?

On March 4, the Red Cross held its annual blood drive at Winthrop High School. With the participation of students and faculty donors, the drive was a great success.

Take two aspirin and call me in the morning.

Last night, I have a headache.

Oh, my heart!!!

Here's our next victim!

Just relax; It will only take a second, and a pint!

THE END OF AN OLD DECADE . . .

1979

In 1979 oil prices began their rapid increase and soon gas lines grew longer as prices climbed to new heights.

Boston's "Music Man", Arthur Fiedler, who initiated the Boston Pops 50 years ago, died in July 1979.

On October 1, 1979 Pope John Paul II was greeted by several thousand people as he landed in Boston to celebrate a Mass at the Boston Common and begin his tour of the United States.

The prices on the gold market began to increase daily late in 1979, and by early 1980 reached record highs of over \$800.00 per ounce.

On November 3, 1979 sixty Americans in the U.S. Embassy in Tehran, Iran were taken hostage by Iranian militants. As of this writing, on the 123rd day of captivity, they are still being held, with no solution in sight.

In November 1979 eleven fans of the English rock group "The Who" lost their lives while trying to get into the concert the group was playing at Riverfront Coliseum, Cincinnati.

. . . THE BEGINNING OF A NEW

1980

Because of many international problems of 1979 that carried over into 1980, for two weeks in February, the world seemed to turn to the 13th Winter Olympic Games held in Lake Placid, New York, for a moment of relaxation that eased the tensions of world affairs. The American showings at these games came as a surprise to many, and provided memories for all.

The American hockey team, led by Captain Michael Eruzione of Winthrop, he was greeted by what seemed to be the town's entire population, and every person there seemed to be proud to be living in the same town as an Olympic hockey team member.

Speedskaters Beth and Eric Heiden had received much publicity prior to the games and were chosen as favorites in their sports. Eric left the Games winning five out of five gold medals, while Beth took one bronze.

THE GOLDEN GOAL

GET ON ERIC AND BETH

THE RISE AND THE FALL

The forced withdrawal of American pairs skaters Tai Babbalanja and Randy Gardner when Randy injured himself, seemed to be the greatest downfall the U.S. encountered.

Once again, in August many countries will meet in Moscow, the capital of the Soviet Union, for the Summer Games. Due to the affairs of the world, it is possible that the U.S. may boycott these Games.

SPECIAL THANKS

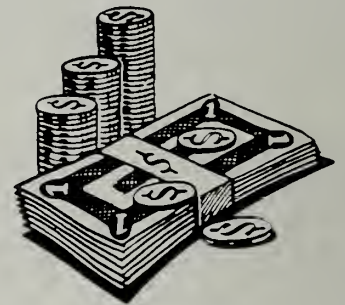

To Billy: For all your great pictures (without which we wouldn't have much of a book); for your limosine services to the airport post office, and everything else you've done. You know what we mean! Thanks . . .

To Rita: What could we do without you? "Without you, life has no meaning of rhyme, Like notes to a song out of time . . ." Thanks . . .

To Joyce, Judy and Rose: For always typing our last minute copies (like this one!) with no complaints. Thanks . . .

To Irene and Sue: For raising the most money ever in the history of the Winthrop High School Echo. How did you do it? (Forget it, we don't want to know!) Thanks . . .

And to the rest of our faithful workers: Susan S. and Tim and Downo and Lorry and AnnMarie and Nancy G. and Barbie and Ann and Marco and last, but by no means least, Alon. Thanks . . .

But our greatest thanks goes to . . .

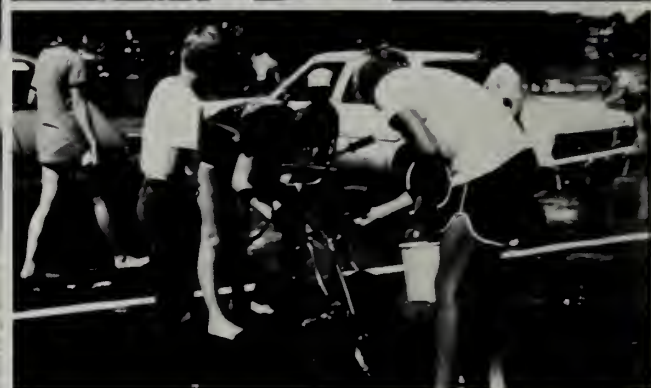

It's been one hectic year, putting this book together, but it looks like we've finally made it with your help. How did you ever live through the other four years of advising Winthrop High School's Echo Staffs; and were they all as nerve-wracking at this year was? Well, on your fifth year of running this whole operation, we felt it was due time for someone to pay some extra-special attention to you for your work, so we are dedicating this book to you.

Most people do not realize what it takes to put together a yearbook, and neither did we when we accepted this responsibility. Now we know that what it does take is some cooperation, some serious hard work, some patience, some fighting, some being able to laugh when you would rather scream, some "taking nutties" on people, and most importantly on advisor like Diane Paulas, who has somehow managed to keep everything together when it seemed to be falling apart.

Your patience (even though you are known to take occasional "nutties"), understanding, sense of justice, sense of humor, and at times overall craziness are qualities that make you one in a million, and we really wouldn't have it any other way.

*Thanks for everything,
Moribeth and Claire*
